Goorganga Wetland Wagon Tour

*The Experience* Nowhere else in Queensland can you experience so much in one location.

Take a trip on the "Wild Side" and see crocodiles in natural habitat in the Whitsundays.

This unique Australian nature tour takes you to explore a tropical environment and experience the wildlife and vegetation living in the estuaries and wetlands on the Whitsunday coastline.

## THE TOUR

This highly rated full day trip is a safe, all-weather, safari style excursion which has been operating for more than 22 years. Our local experienced guides provide expert commentary throughout the tour. Cruise the calm waters of Proserpine River as you observe estuarine crocodiles in natural habitat. Explore Goorganga Plains on a tractor-drawn wagon train and discover the vegetation and wildlife in a freshwater wetland. Enjoy a barbecue lunch and traditional Billy Tea and Damper. Courtesy transfers are included, and we provide an iced water cooler. We also have cold drinks for sale. If required, insect repellent and rain ponchos are also available.

## THE DESTINATION

The tour operates in private property to the east of Proserpine. Our tour base camp is established in a picturesque bushland setting on the northern end of Goorganga Plains wetlands, adjacent to the Proserpine River. We are only 30 minutes from Airlie Beach and 5 minutes from Proserpine.

The tour is family owned and professionally operated and guarantees excellent customer service. We provide an opportunity for our guests to create memorable nature experiences.
